# Schedule of Courses—Summer 2019

## Explanation of Course Numbers

The Boston College Course Number consists of ten characters. The first four characters (alphabetic prefix, e.g., “ACCT”) indicate the department or program offering the course; the last two characters indicate the section number. The middle four digits indicate the level of the course. When listing courses the entire ten-character symbol must be used as well as the four digit INDEX number which appears to the left of the course. For example: 7463 ACCT1o21o1.

## Meeting Days

The meeting days of each class are listed in this booklet as follows: M=Monday, T=Tuesday, W=Wednesday, Th=Thursday, F=Friday.

The middle four digits indicate the level of the course. When listing courses the entire ten-character symbol must be used as well as the four digit INDEX number which appears to the left of the course. For example: 7463 ACCT102101.

## University Courses

### Capstone

No student may take more than one Capstone seminar during his/her undergraduate years. This is true whether the course is listed under UN numbers or as a course in a specific department. If a second Capstone course appears on your record, it will be removed. This could make you ineligible for graduation.
